

JAN SEWA PRASHIKSHAN SANSTHAN

FROM THE DESK OF DIRECTOR

We must put best effects without fail and without delay. **JAN SEWA PARASHIKSHAN SANSTHAN** though its efforts in the last few years has developed an affinity between the people living in the cities and towns and those living in the remote areas and most backward areas this effort have born some fruits also, some visible and other intangible . In the process, some models have developed which we feel are appropriate and feasible for reversing the trend of the downfall and for accelerating the progress and reconstruction of the national as well.

The Governing Body of society has immense pleasure to present its Annual Report for the year ended 31st March 2017. The report covers the seminars and conferences organized, training, education, and other charitable programmes and which are conducted relevant statistics relating to area and also the accounts of the society for the year 2017. The important activities and major initiative of the society up to end of March 2017 have also been briefly mentioned.

We are ever grateful the donors, volunteers and well wishers of the organization whose constant moral support has enabled us to be Act this stage today. We would never have come to this stage without their moral support. At present our priority is to conduct and organize the several programme inclusive health, education, social, environmental and in urban and rural area and particularly for the up gradation of deprived and neglected society.

BACKGROUND

OF

JAN SEWA PRASHIKSHAN SANSTHAN

BHITARI SAIDPUR GHAZIPUR (U.P) INDIA

(JSPS) was established in 1991-92 with an avowed objective rectifying ills that have crept into our social system and rendering valuable services to disadvantage and ghettoized of our population and working for their socio-economic upliftment, educational and consciousness.

The state of Uttar Pradesh, and particularly in eastern area, in general had innumerable problems. Intervention on each sector is a crying need of the hour. The woman, child, old disabled belonging to the lower strata of the society have been marginalized to a great extent. The woes and agonies of the people belonging to minority communities and scheduled caste knew no bounds give their lowest control over the productive resources. Ignorance owing to illiteracy and health problems due to unhygienic living pattern has worsened their conditions. Environmental degradation, population explosion, spread of AIDS, Drug Abuse, Communal Conflict and unemployment is some of the common problems normally encountered here. Understanding the need of immediate and direct intervention. A group of individual came together under the guidance and leadership of **Mr. Rambachan Bharti** to register **JAN SEWA PRASHIKSHAN SANSTHAN** and since then it took to itself the responsibilities of working for the above causes.
